i'm a kid and i'm holding onto my entry ticket and
i hate this haunted house so i

ask the dead
guy on the table am i

allowed to
leave he says

what oh sorry
you've already gone too

far the only exit
is at the end and then i

get old i'm in an ambulance
explaining to this nervous kid

you're going to hate it but
you have to have it all ok ok here you go:
